

Seattle Pacific University 2021 Endowment Report

Seattle Pacific University's Endowment

SPU's Endowment consists of donations and institutional funds permanently invested to produce a dependable stream of annual operating income for the University. The Seattle Pacific Foundation is tasked with the important job of managing and investing the endowed funds. According to the National Association of College and University Business Officers-TIAA Study of Endowments SPU ranked above the 95th percentile on its net return for 1, 3, 5, 10, and 15-year periods. And, as you can see on the Endowment Pool Investment Performance chart below, the University's endowment pool has consistently outperformed its benchmarks. These achievements demonstrate the Foundation's exceptional management of the SPU Endowment and a solid basis for donor confidence.
